1951

MILESTONE

MR. JOHN J. WITHERSPOON

The
MILESTONE
of 1951

Yearbook of

GOVERNOR DUMMER ACADEMY • SOUTH BYFIELD, MASS.

Compiled and edited by the Senior Board of THE MILESTONE • Chas. E. Hussey, *Editor-in-Chief* • Robert N. Goddard, *Business Manager* • Nathan A. Fuller, *Managing Editor* • Stephen B. Shohet, *Photographic Editor* • T. Robley Louttit, Jr., *Circulation Manager* • Barry Gately, *Advertising Manager*

DEDICATION

This volume of the MILESTONE *is respectfully dedicated by the members of the graduating class of 1951*

to

MR. G. HEBERTON EVANS, III

and

MR. KENNETH E. BROWN

who are now serving in the armed forces of the United States.

We hereby inscribe on this page a small measure of our appreciation and admiration for their undiminishing efforts in school activities, their indomitable spirit on the athletic field, and their loyal devotion to the members of this school.

Class Poem

Now we've marched around the Milestone
Now we've sung our senior song
Now at last we all are free
It's what we've wanted for so long.
Looking back with mixed emotions
On the work, it seemed like oceans.
Our teams had their ups, our teams had their downs,
And we lost some games from out of bounds.
We had Mouldy Bill and Robley L.
With their coats black and white, and how they did smell.
In Pierce they awake with Floogle's rendition
Of "Beautiful Morning," for him perdition.
In Phillips they say that it is no joke
To have to grope blindly through Rao's smoke.
All of the teachers' jokes were musty
Sager's sluggish, Navins' rusty,
Doc's "talk is cheap; production counts"
He'd bang that stick until the tables bounce.
The panting boys their books they clench
Running like mad to make it to French.
If you forsake English for Dick Tracy, your hero
Uncle Mort says "He's great, but you get a zero."
Winter weekend comes slow and goes very fast;
The headaches from those days forever do last.
We got lots of laughs from the campus clowns
While Traver and Cleveland scared us with hounds.
There's many do believe this year they got the shaft
For college ain't the only fear, there also is the draft.
In the valley of indecision wander those up Washington way
They've troubles by the dozens, not so at G.D.A.
For here at school we're happy, nothing goes amiss
We are a prime example of "Ignorance is bliss."

The Soccer Season

By Peter J. Whitney

When the soccer hopefuls reported for practice the first day, it looked as if the season would go either way, good or bad. There were six returning lettermen, but the coaches had to find a halfback line, and fill out the forward line. Consequently, the first week was spent in workouts and battling for positions. A tentative starting line-up was developed with DeFanti in the goal, Robb and Dunning at the fullbacks, Cebe-Habersky, Hicks and Lougee as halfbacks, and McCully, Davidson, Gesen, Campion, and Gill, next year's captain, on the forward line. The job now was to get these eleven players working as a team. Mr. Navins and Mr. Traver labored to coordinate the club before the opening game at Phillips Academy at Andover.

The Andover game was a fast, see-saw battle that had the possibilities of an upset. The Governors played equally as well as the Andover squad, but they lacked the scoring punch. Andover got a goal on a fast break, and that was the ball game. The Phillips Academy had been saved from an upset. This left the coaches with the job of compensating for that scoring dearth. Mr. Navins and Mr. Traver went to work on the squad to make them goal conscious.

The squad was playing much more cohesively when the Browne and Nichols game came up that Saturday. The game was played at home, and the Governors were feeling their oats. Browne and Nichols was not a powerhouse this year, with the result that the soccer squad took the game 4-0. The team made a showing of good heads-up ball, but the coaches were not satisfied and kept driving toward a more goal-conscious team.

Belmont Hill had gone down under a landslide of goals the year before, leaving us confident of victory this year. The result was that when the smoke of battle had cleared, the game had ended in a 1-1 tie. This removed most of the confidence, and the squad went on to face Milton Academy. Playing there, the teams

fought an even game up and down the length of the field. The Governors were unable to score, with the result that the Milton team put one in to win. The misses of the forward line were heartbreaking to the boys who were giving all they had, and more. After the Belmont Hill game, the coaches decided to shift the lineup, so they moved Cebe-Habersky, this year's most valuable player, into the line at center, and Walt Staley into halfback. Cebe-Habersky's heading ability seemed to provide the power necessary, for the squad played Watertown and outscored them to win 5-1.

The team next journeyed to St. Paul's where they faced an inexperienced squad, and soundly trounced them to the tune of 6-2. The coaches substituted freely, looking for a possible combination in the second team.

Playing at Brooks School next, the two teams faced off in a drizzling rain. The Brooks team proved stronger than expected, and the Governors had to give out to beat them. The team came through, however, with another victory of 4-1. Rumors had it that Medford High, our next opponent, was very strong. The two teams met on Whipple field in a truly magnificent game. Medford was by far our strongest rival, and they were trouble all of the way. When the last whistle blew, the G.D.A. squad had played a great game to win 3-2.

The last game of the season with Tabor came up, and the team was on its toes for the fray. Tabor showed that they were really up for this game also. G.D.A. took a lead, but could not hold it over a driving Tabor squad. The final score was 3-3.

In a bull session in Mr. Navins' apartment after the season the team felt that it had been a fine season to those who had played, and a grand team to play on. A great deal of credit goes to the coaches, Mr. Navins and Mr. Traver, who saw the team through its ups and downs. A lot of credit goes to Captain Charlie Gesen, who played outstanding soccer. The 1950 soccer squad wound up with a record of five wins, three losses and two ties.

The Football Season

By William E. Bridges

The fact that there were only five returning lettermen put a damper on any hopes for a good football season and the coaches were forced to field a green team which had had only eight days of practice. This lack of experienced players was costly when the team met Groton on their field, September 30. Their more experienced team did not have much trouble in beating the Governors 28-0. The team received a great loss in the game when halfback John Brandli broke his leg. His absence was greatly felt through the remainder of the season.

The following week, however, the team recovered and made an excellent showing against a strong Thayer team at Braintree. The Governors outplayed their rivals throughout most of the game, but had to be satisfied with a scoreless tie. Al Smith was outstanding, intercepting several Thayer passes. It was the same story the next week when the Governors met Browne and Nichols here and again tied—this time 6-6.

The following week the team faced Milton, one of the stronger teams the Governors played all season. Milton's powerful split-T attack proved too much for the team, and the game ended 25-6.

The thrill of the afternoon, however, was provided by the Governors when halfback Bob Hopkins intereepted a pass near his goal and raeed 98 yards to seore.

When the team faced Belmont Hill the next week, they nearly won but again had to settle for a 6-6 tie. Captain Ed Kelly, who deservedly won the most-valuable player award at the end of the season, scored the Governors' only touehdown.

The Moses Brown game, at home, was the season's heartbreaker. Moses Brown got two safeties, and then with minutes to go the Governors started their drive. A beautiful pass from Kelly to Smythe, the eaptain for next year, for an apparent touehdown, was ruled out of bounds, ending the seoring threat. Thc team played its best defensive game of the year in this tilt, but lost 4-0.

The last game was played against Tabor, on Tabor's home ground. The Governors were overwhelmed by the best team the school has faced in some years. Tabor rolled on and beat the Red and White 44-0.

The reeord of three ties and four defeats would have been mueh harder to take if it had not been for the great spirit that every one showed through the tough season. It was not a bad season in terms of the fun that the team got out of it.

The eoaches who worked so hard to make a team from so little, and took all of thc critieism, deserve a great deal of praise. Head-eoaeh Sager, Line-eoaeh Cleveland and End-eoaeh Murphy all did a wonderful job with the squad.

No one offers any alibies for the reeord of the team. Next year, however, every one feels that it will be a different story, for there are six baeks, and six linemen returning around whieh will be built next year's Red Team.

Traver's Trouts Triumph in Pushball

By Peter J. Whitney

This year's volleyball season got off to a rousing start at a special meeting. Mr. Mercer, Poobah's earthly emissary, directed the selecting of teams for the two leagues, one of which was the fish league, the other the fowl. Alliteration in naming was commanded by Poobah with such names as Sager's Shovelers and Stone's Sturgeons as this year's fashion. The contests started the next day with the ceremonious installation of Mr. Mercer as the Pushball potentate, in the new gym. The titanic struggle was on! It was a bitterly contested season, and many teams showed potent material. Several upsets were witnessed, but when the smoke of conflict cleared, Navins' Nighthawks and Traver's Trouts topped their respective leagues. In the play-offs, the predatory Nighthawks found themselves over-matched by the fish, and the season ended with Traver's Trouts supreme. "To the victor goes the spoils." The winners and the runners-up feasted regally on their special steak dinner, as the 1951 volleyball season became a memory.

The Wrestling Season

By L. Franco Derba

This year the wrestling season opened before Christmas when our coaches, Messrs. Evans and Cleveland, set to work trying to get the team into condition and teaching the fundamentals of this sport to the numerous newcomers.

The Red and White team started out on a very stiff schedule in a propitious way by winning the first match of the season against a strong Browne and Nichols club. John Hjorth gave a beautiful performance by pinning his opponent in the first period. Next the Governors played host to a strong Noble and Greenough aggregation, using the main floor of the Alumni Gymnasium for the first time. It was a thrilling contest from the beginning to the end. When we were at a disadvantage, John Hjorth and John Murdock pinned very aggressive men, gaining the necessary points to tie up the meet.

A week later the Governors met an undoubtedly stronger St. Mark's team. The start was all in the Governors' favor; Walter Lawson showed great ability, as did Steve Shohet, when they both pinned their men. But fortune changed, and St. Mark's won the meet, 23-13.

The South Byfield wrestlers lost their next match to the Brooks School. Highlights of the meet were Mike Iafolla, who threw his opponent, and John Murdock, who gained a decision against their captain.

Four days later, an unexpectedly strong Roxbury Latin team defeated the Governors. Milton was the next foe, and the next loss, 28-3. The team performed admirably, and the heavy score should not be misleading, for some of the matches were very close. Walter Lawson was the only one who could gain a decision; he fought a very close bout, typical of his wrestling throughout the season.

Winning against the Andover J.V.'s, the Governors broke their losing streak. John Hjorth pinned his man, as did Bob Smythe who was opposing an extremely good wrestler. All of the team was in the right spirit for the Tabor meet, from which the Governors managed to get a well-earned victory. Steve Shohet and John Hjorth won by pins, while Dick Nader, Walter Lawson, Mike Iafolla, and Bob Smythe won decisions in very hard-fought bouts. In their victorious stride the Governors next took Wellesley High. John Hjorth fighting in his exciting and colorful way, pinned his man. Hugh Mehaffie, substituting for Bob Smythe, shouldered his opponent, also. Nevertheless, the highlight of the meet was the performance given by Ted Barrows against the Interscholastic Champion. Chuck Hussey wrestled a very good bout and lost a close decision.

This year the entire team participated in the interscholastics, and came out very successfully. The Governors finished at seventh place out of fourteen teams, and with two men, Steve Shohet in the 130-lb. class and John Murdock in the 177 lb. class, gaining third places.

Many felt that this had been a good season. Considering the extremely hard schedule which faced the South Byfield team, four victories, four losses, and a tie is a very good record. All of the team except Chuck Hussey and Ted Barrows will be back next year, and this fact makes everybody think that it will be a strong and well-experienced team.

Our appreciation and thanks go to Mr. Evans and to Mr. Cleveland, who worked tirelessly with the squad, and to Bob Smythe, who set such a fine example, and made a persevering captain throughout the season.

The Basketball Season

By James E. Hicks

The hopes for a successful season were burning rather dimly when practice started at the Alumni Gymnasium, but the addition of Don Rice to the starting lineup of Captain Fred Hobbs, Phil Hadley, Hump Zabriski and Tony Cowles caused hopes to glow more brilliantly. Under the tutelage of coaches Navins and Pratt, the team developed into a smooth, well coordinated unit centered around the pivot-play of Hobbs, the play making of Cowles and Zabriski, and the shooting of Hadley and Rice.

Many close games marked a short but exciting schedule. In the first game ever played in the Alumni Gymnasium, the Red chalked up a 57-53 win over an inexperienced Lawrence Academy five. A twenty-five-point fourth quarter rally, sparked by reserve forward Al Smith's 13 points, carried the Governors to victory. A smart St. Sebastian quintet dropped G.D.A. from the undefeated ranks in the next game by a score of 42-40, despite a 6-point rally by Phil Hadley in the closing minutes of the game.

On Saturday, February 3, Thayer Academy invaded the Byfield campus and lost a heartbreaker to the Governors 52-51. A large crowd saw the lead change hands many times until the last 25 seconds when Jim Hicks dropped in a foul shot, and Phil Hadley followed this with a lay-up to make the score 52-49. Thayer counted once more on a desperation shot, but a freeze by the Red and White ended all of Thayer's hopes.

Two games later the Byfield quintet reached the acme of the season at Milton when they trounced the home team 69-47. Captain Fred Hobbs bombarded the Milton zone defense with some unusual push shots to produce a 39-20 lead for the visitors at the intermission. Hobbs had 20 points in the first half, and Phil Hadley picked up where Fred left off by getting 16 markers in the last half.

After losing a 70-53 decision to a powerful Tabor aggregation, the Governors engaged Huntington, a team which had received a bid to the Class A Prep School Tournament, in the last game. The Red and White outplayed and outshot Huntington and carried a 30-20 lead off the floor at the half. The shifting zone defense provided a problem in the second half, for the score was 43-40 in favor of Governor Dummer with two minutes left to play. At this point the visitors' center sunk four straight foul shots and Huntington led for the first time in the game. The Governors obtained possession of the ball in the last five seconds, and Tony Cowles shot at the sound of the final buzzer. The shot missed, but Tony was fouled and awarded two shots. He stepped to the foul line, scored with both of his shots, and won the game 45-44.

After ending the season on such a successful note, Don Rice was elected captain of the 1952 quintet, and Fred Hobbs was recipient of the most valuable player trophy. Phil Hadley led the scorers with 168 points, followed by Fred Hobbs with 164, and Don Rice with 110. Much of the credit for the success of the season goes to Mr. Navins, who had each player shoot 25 fouls each day in practice and saw his idea pay off in the win column.

The Hockey Season

By John C. Losch

"League Basketball at 4:20; Ponies at 4:55; Hockey Squad report to the Milestone at 3:30, dressed to run." This was an all too frequent announcement to the stunned spirits which made up the varsity hockey team. All of the potentialities of a good team, without the advantage of sufficient practice, is a rather disheartening predicament. In spite of a lack of ice for practice, the boys worked well together and showed steady improvement throughout the season. If they had had the opportunity to practice more skating, and to develop greater speed, they would have scored more goals. As it was, their teamwork was exceptional and often supplemented their weak skating. Mal Davidson, captain, was center on the first offensive line-up, and was flanked by Ron Campion on the right, and Charlie Brown on the left wing. George Packard at center, Barry Lougee at right, and Eddy Dodge on the left made up the second line. Bob Morse, Walter Staley, and Ned Werner, next year's captain, played a strong defense. Ned's swift accuracy prevented many goals for our opponents. The team was joined later on in the season by Joe Cook who was promoted from the J.V.'s. The goalies were Charlie Robb and John Salinger.

Medals go to Ron Campion and Mal Davidson as high scorers for the season. Each handled the stick as if he were born with it. The whole second team improved to the extent that there was little distinction between the first and second lines. Others who played were Charlie Gesen, Bill King, Matty Grossman, and Dave Bullock.

The best game of the season was played against Lawrence Academy at Groton. The contest was nip and tuck throughout the whole thirty-six minutes. Although the Governors were ahead all of the way, Lawrence put the pressure on several times, and the Red and White had to speed up their action. The final show stood five to three for the Governors.

Hockey this season, when ice was the exception, not the rule, was saved by the indoor rink at Lynn. All of the games were played in Boston, with the exception of the Brooks game which was played on Morse rink, and the Lawrence game played at Groton.

Coaches Murphy and Brown, who could occasionally be seen cutting fancy capers on the blades, spent much of the season remembering the old fashioned winter with plenty of ice. In spite of the handicap in skating, the hockey team ran through an enjoyable season for both the coaches and the club.

The Season

By GUY A. TUDOR, III

Led by George Moreau, Peter Remis, Nate Fuller, and Ed Carter, the 1951 Winter Track Team had a moderately successful season. The arrival of two new boys, Moreau and Carter, aided the team a great deal in its few meets. The first meet of the season was the prep-school relay at Boston Garden, and with seven teams competing the Governors took fourth place.

Later in the season the Governor Dummer relay team placed second in the interscholastic relay at Phillips Andover. Also in the same meet, Ed Carter performed well and placed third in the high hurdles. In their only duel meet the Governors met a more powerful and experienced team and were defeated 37-26. In a post-season interscholastic meet at Bowdoin several trackmen competed and did very well. Much interest in track was created by the intramural meet held in the Alumni Gymnasium. Boys from all sports and classes were allowed to compete. With this contest the Track Team ended its season with high hopes for the spring squad.

Wesley L. Muddle

Roderick M. Rose

The Season

By Allen M. Starensier

Without doubt, the most versatile winter-sports squad this year at Governor Dummer was the ski team. Capably led by Dave Pope, the first boy ever to be elected captain of a G.D.A. ski team, the skiers were forced to spend many hours on the basketball court, as well as running, due to the lack of snow. So whenever there was snow enough to wax up the boards, the slopes and turns of the golf course, as well as the hill and trails in back of Ingham House, were used as much as possible.

Because of the lack of snow, the Governors were able to engage in only one ski meet, and this took place at Locke Hill in Amesbury. The Governors were defeated by a powerful aggregation from Phillips Exeter Academy, although Dave Pope, Wes Muddle, Henry McFarland, and Roddy Rose turned in some fine showings. In this combat of man against time on January 10, the Governors dropped the meet by a narrow margin. A great deal of interest was created through the fine coaching of Mr. Traver who, out of sheer love of the sport, made several trips to Mt. Sunapee with many members of the squad.

The Glee Club

By Fred H. Barrows, 3rd

For many years Governor Dummer Academy has had outstanding glee clubs. Although this year's club was inexperienced and did not show much promise at the beginning, the work put in by Mr. Sager and the boys resulted in a very successful season.

Much interest is created in the Glee Club each year because there are several concerts with girls' schools. The first concert was held with the Winsor School Choral Class on December 9th in the Alumni Gymnasium. "You'll Never Walk Alone" by Rogers, and Allegri's "Miserere" were two of the favorites, and the combined clubs sang Darby's very popular "'Twas the Night before Christmas." Bill Bruni, accompanied by Jack Clifford, added greatly to the success of the concert with his renditions of the "Violin Concerto in G Major" and "Fiddle Faddle." Bill played on every program throughout the year and was always a sensation. Following the concert there was a dance in the Cobb Room which proved to the boys that the long hours of rehearsals were not without reward.

On March 10th there was a joint concert with the Abbot Fidelio Society at Abbot Academy, and the selections of both schools were excellent. The other two joint concerts with Walnut Hill and Dana Hall, on the 21st and 28th of April respectively, were admirable performances and the best of the year. "The Battle Hymn of the Republic" accompanied by Jack Clifford and Paul Steinberg, and the "Musical Trust" were the most commendable songs on both occasions.

The biggest and most time-consuming project of the year was the New England Preparatory School Music Festival Chorus which was held in Symphony Hall on April 15th. Singing with the Boston Symphony Orchestra, under the direction of Wilfred Pelletier, former conductor with the Metropolitan Opera Company, was a great musical experience which will long be remembered by those who participated. The combined choruses of seven schools sang two stirring pieces, Brahms' "Requiem" and the "Die Meistersinger von Nürnberg" by Richard Wagner. It was a momentous achievement, accomplished not without a great deal of effort on the part of all concerned.

Harald Amrhein was president of the Glee Club this year, and was also the tenor soloist. He did an excellent job, as did Fred Hobbs and Paul Getchell, the bass soloists. Mr. Daniel Smith did most of the accompaniment throughout the year, and also aided in the directing. The managers, who kept the boys happy by supplying them with music, and also dates at the concerts, were Sandy McCully, Rick Blackmur, and Chuck Hussey. However, most of the credit for the success of the Glee Club goes to Mr. Sager who put a great deal of time and energy into the evolution of a successful season.

Joseph Paul Sacco, Jr.
Peter Julius Whitney

The Governor Dummer Chapter of the *Cum Laude Society* received its charter on February 10, 1934. The purpose of the society is to promote scholarship and to recognize scholastic achievement. In secondary schools its function is, therefore, comparable to that of the Phi Beta Kappa Society in colleges.

The by-laws of the society state that to be eligible for election a student must attain a minimum standing of eighty per cent during his senior year and must stand in the upper fifth of his class. A three-fourths vote of the faculty members is necessary for election; and the members are pledged to consider each candidate's record during the earlier years of his secondary school work, his diligence, particular abilities or deficiencies, and the nature and number of courses on which his average is based.

This year the annual initiation banquet was held on Friday evening, May eleventh. The speaker was Mr. Frederick S. Allis of the History Department of Phillips Academy at Andover.

GOVERNOR

Acknowledgments

The photographs used in the MILESTONE are the work of the following, to whom we tender our warm thanks:

Stephen B. Shohet, Edgar H. Lawson, and the Eames Studios, of Manchester, N. H.

We would like to thank the various friends of the MILESTONE who, although not definitely connected with the staff, yet have made generous contributions to this book. And we wish particularly to acknowledge our indebtedness to:

Mrs. Jane M. Gale for help in accounting.

Mr. Harold Johnson of the Andover Press for relieving us of many worries,

And our advertisers for making this book possible.

Class Will

We, the class of 1951, being of sound body and supposedly sane mind do hereby execute and proudly publish our last will and testament.

Hal Amrhein wills, with pleasure, his knowledge of "Doe" Livingston's History course to any Junior who would like it next year.

Bill Atwell leaves his Texas flag to Dunlap Weichsel.

Ted Barrows leaves his bull in memory of its namesake.

Ken Bistany leaves his famed rug-cutting firm to Dick Nader.

Dick Bittner and Barry Lougee pass their partnership firm on to Al Smith and Steve Ream.

Dave Clary leaves his "bop" to Dave Powers.

Mal Davidson wills his supply of medicine bottles to Rick Crawford.

Nate Fuller and George Moreau leave their speed on the track to Ed Carter and Pete Remis.

Charlie Gesen and Ben Hawkins will their hayseed to Don Rice and Larry Sawyer.

Bob Goddard and Sandy McCully have finally decided to leave.

Jim Hicks wills his sarcastic wit to John Bullington.

Fred Hobbs willingly leaves his simian features to "Sabu" Gately.

Pete Ireton is afraid he won't be able to leave behind him the song "Cincinnati Dancing Pig".

George Kirkham wills his beautiful soprano voice to Windy Gale.

Edgar Lawson wills his key to the darkroom to Steve Shohet.

John Loseh bequeaths his watches to Fred Bowden — maybe they'll help him to be on time more often.

Bob Louttit leaves his fur coats to anyone who will take them . . . and their bugs, too.

George McGregor leaves his good-naturedness to Dirk Owens.

Gerry Palmer wills his laugh to Chuck Wensinger.

Dave Pope wills his skis to Rod Rose.

Bud Reith leaves his muscle-building set to Rib Smythe.

Charlie Robb happily wills his goalie glove to John Salinger.

John Sefton leaves his curling iron to John Gill.

Walter Staley leaves his renowned "gooning" to Bill Huberlie.

Bill Stockwell leaves — in a truck.

Lou Tobia leaves a casket to anyone who wants one.

Pete Whitney bequeaths his aptitude to Walter Lawson.

Dick Zelig leaves his talkativeness to Bob McArthur.

Nobody knows how many hundreds of thousands of people will dine tonight with TOWLE Sterling — but the actual number would be startling. For in the two-and-a-half centuries that beautiful silver has been made in Newburyport, the demand for its patterns has moved steadily upward. Craft traditions reaching back almost to the Pilgrims are part of the reason for TOWLE progress, but probably the chief reason is a certain soundness of design — patterns that wear well — that wear so well, in fact, that they become at once a proud possession and a beloved part of family life.

every college man should have
a watch he'll be proud to own

The watch gift has a lot of sentiment attached to it because it should act as a lasting companion. This is why we so heartily recommend HAMILTON watches, and carry a complete selection the year round. Superior throughout, from their beautifully designed cases to their skillfully made all-American movements.

A Book To Be Treasured . . .

This annual is a permanent record, in picture and prose, of the academic year 1950 - 1951 at Governor Dummer Academy. Its value will increase as the years pass, and the quality of the printing will contribute in great measure to its lasting worth.

The Andover Press, Ltd., takes pride in its well-known craftsmanship which, combined with the long hours of careful planning and painstaking editorial work by the MILESTONE Staff, makes this a book to be treasured.
